Skills

- 3D software
- Adobe Creative Suite

Summary

-The ability to draw a digital 3D image of a sign to send to our customers as an example of what the finished product will look like. The job may require you to do production drawings using the Adobe Creative Suite. A production drawing presents the precise information needed to produce the sign, such as measurement, materials, fonts, colors, and processes.

Essential Duties and Responsibilities

1. Create a realistic looking image of our products whether it be a 3D image or a Photoshop image.
2. Create shop drawings for our production area to manufacture the sign.
3. Perform other duties as needed by the Supervisor of Support Services and ISC officers/owners.

Technical Drawer, as with all Intersign employees, will work on any task/job as directed/required by management, especially to meet customer satisfaction.

Qualification requirements:

-The Technical Drawing position must be organized with an attention to detail and have the ability to work under pressure and meet deadlines. They must have a high school diploma or equivalent, strong computer skills, and the ability to work within a team.

Education and/or Experience:

-High School Diploma. Knowledge of the Adobe Creative Suite and/or 3D software.

Language Skills:

-Must have the ability to speak, read, and understand English. Must also have positive communication, both written and/or oral. Ability to read and interpret documents such as safety rules and company procedures is mandatory.

Reasoning Ability:

-Must have the ability to deal with problems involving errors on paperwork and understand written and oral instructions.

Safety Training Requirements:

-General Safety.

Physical Demands:

- While performing the duties of this job, the employee will be required to sit, stand, and be able to lift 20 pounds occasionally.
- Technical Drawer frequently is required to use hand to finger, handle or feel objects or tools. TD is occasionally required to walk, reach with hands and arms, stoop, kneel, crouch, and talk or hear. Specific vision abilities required by this job include close vision, distance vision, and depth perception.
- The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Personal Protective Equipment

- For immediate job - None.
